

# TRIBUTE GIVING AT A GLANCE

Outlined below are ways in which you can help facilitate when families chose to support UHN Foundation with donations in memory of their loved ones.

## Help them set up a tribute with us

Call and let us know when a family has chosen to support the Foundation with donations. We will make a commitment to keep the family informed of all gifts made as well as answer any questions they may have. If your organization does not have generic donation cards, we would be happy to provide Foundation donation cards and prepaid return envelopes for the service.

## Provide the family with obituary wording

Please share the suggested wording below in an obituary notice or via other means.

*"In lieu of flowers, donations to the {insert program or department name if applicable}, UHN Foundation would be appreciated by the family. Please visit [UHNfoundation.ca/tribute](https://UHNfoundation.ca/tribute) or call 416-603-5300."*

## Offer a personalized online tribute page

By following a few of easy steps, you can help families set up a tribute page on our website in memory of a loved one. Families can share the page and visitors can make gifts online. Those interested can visit [UHNfoundation.ca/fundraise](https://UHNfoundation.ca/fundraise).

## Inform the family about our Commemorative Giving Wall

Our commemorative walls are a timeless way to honour loved ones. If a family expresses interest in a permanent recognition plaque at either Toronto General or Toronto Western forward them to the contact below and we would be glad to help.

\*Please ensure any cheques are made payable to: UHN Foundation
