Since 2008, UHN Foundation's Honour Your Hero program has provided patients and their families with an opportunity to express gratitude to UHN staff for their care, compassion and kindness, while also making an impactful gift.

For each donation made through the program, the honouree receives a personalized certificate with a message from the donor along with a special pin to commemorate their first honour, and then at milestones 10, 20, 50 and 100.

Quarterly, UHN Foundation provides a listing of TeamUHN members who have been honoured by our generous donors through the program.

We thank all the champions, heroes, supporters and life-savers across all areas and professions for providing outstanding patient care and helping drive UHN toward our shared vision of a healthier world. Your efforts – both individually and collectively – inspire people to give back.

Congratulations to all who have been recognized through Honour Your Hero this quarter!
